Working Moms Empower Group: Meeting time/date will change each month

We are a community of moms who work outside the home who will meet once a month for coffee/tea or wine and desert to help build one another up. This group will focus on supporting one another, sharing resources on women's empowerment, ideas/tips on ways to balance and create ideal schedules and encourage self-care. And while this group has mainly been created to support the "working mom", we recognize that ALL moms "work" and therefore ALL are welcome to join. However, we do ask that the little ones (children) stay at home, as well as partners/spouses. Contact doctors@fulloflifeholistics.com for more info.

Grieving Parents Group: 2nd Monday each month, 5:10-6:10 pm

Losing a child is perhaps the most heartbreaking challenge we humans have to endure. It changes everything. It's hard to know what to do or how to cope. This group doesn't offer any answers or solutions. Rather, we seek to create a space to be with other grieving parents, to build community and to offer companionship on this most difficult of journeys.

Mamas & Papas Coop Program: 1st Monday of every month at 9:30am

This monthly meeting is for new and expectant parents on the Palouse. The group is designed to offer education and support for mamas, papas, wee ones and expecting families. Meetings are free and childcare assistance is always provided.

La Leche League: 1st Monday in each month from 5:30pm-7:00pm

Breastfeeding Support Group. Come and sit with moms and watch and learn about breastfeeding and all the other realities of motherhood.
